how I see it

Thirty-five Morristown-based RegentAtlantic Capital LLC associates wanted to mark Sept. 11 in a meaningful way and volunteered to build furniture for working families that will soon occupy new homes erected by Homeless Solutions Inc. The volunteers constructed coffee tables for six families and also designed glass mosaic tiles, 10 of which covered the surface of each table. Jumpstart, Morris County's arts consulting firm, led the team-building project.

Jane Newton designs one of the glass mosaic tiles.

Robert Gregg works on one of the tiles.

James Moore assembles a tile.

Edward Stuart puts the finishing touches on a completed coffee table.
