

Learning and Career Development at Wyndham Worldwide

Associates from Around the World Learn How to Lead Our Organization

For five full days, 28 associates from around the world participated in the Company's leadership program, **Leading Your Organization (LYO)**. In its 11th run, LYO serves as a foundation for leadership development.

Beginning December 2 and ending on December 6, 2013 the group participated in an intensive all-day training program, this year held at our newest location, Wyndham Hamilton Park, which ends with a graduation that includes many Wyndham Worldwide guest associates and LYO alumni. As part of the program, participants take part in a charitable act with the help of the organization, Caring Capital. Eight toy boxes were made by the participants and donated to Children's Aid and Family Services.

Associates leave feeling "appreciative for the commitment and contributions" the entire team made for their development. Strong relationships were formed and it was "one of the defining moments" of one associate's career at Wyndham Worldwide thus far.
